
Seeking LGBTQI and Allies for Parade Contigent

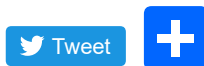

Posted on [June 27, 2013](#) by [TetsuGen KeiDo](#) | [Leave a comment](#)

June 30th at roughly 9am: The San Francisco Zen Center (SFZC) has a parade contingent in every annual Pride March in San Francisco and this year we have even more reason to celebrate! SFZC is always seeking more to join us to represent the compassionate love and support of the Zen community. They always look to and extend this to the HSZC (Hartford Street Zen Center) Sangha to join in and march with them. If you are available please DO join us.

Happy LGBTQI – Month and weekend festivities and celebrations to all!
